

2016 KGH Auxiliary Teddy Bear Campaign

Show children you care

Your support will make a difference in the lives of many children treated at Kingston General Hospital and Hotel Dieu Hospital. These young patients face challenges we cannot imagine.

Your kind sponsorship will support much-needed patient-care equipment for the inpatient pediatrics unit at KGH. Your generosity will also deliver a message of hope and comfort, in the form of a teddy bear to children in hospital.

Sponsor a teddy bear for \$100

Sponsorship forms are available at the KGH Auxiliary Office inside KGH or by calling 613.549.6666 ext. 6352
