

**A Message from Our President
Sandra Fletcher**

FALL

**THE
Auxiliary
Newsletter**

Hopefully everyone had a good summer and managed to keep fairly cool!

Our next social fund raising event will be the **Bridge Bonanza** which will be held on Monday October 24 at the **Kingston Bridge Club** at 645 Gardiner's Road. Bring a group of friends or come alone and make up a foursome. There will be refreshments and a short Bridge lesson.

The Christmas Bazaar will be held on November 30 and items with a value over \$25 are being sought for the Silent Auction. As space is limited for the Auction, items of a value less than \$25 may be combined or placed on our Collectibles table.

The summer high school students were busy this year and had a lot of fun hosting two ice cream sales and a candy sale this summer. They made over \$1,700 profit which will go to the Teddy Bear campaign this fall.

The next general meeting is on **Monday October 31** at 11am and will be at Cooke's Portsmouth United church. The guest speaker will be Dr Ryan Alkins from the Department of Neurosurgery, to tell us about how the new Neuronavigation system will benefit our patients. I hope to see you there as the topic will be very interesting.

BAZAAR 2016**

Jean Fraser & Barb Arniel

The annual Bazaar will be held on **November 30, 2016**. Please see the flyer on the last page.

Baked goods, preserves and candy will be welcomed at any time on Tuesday November 29 and Wednesday November 30 in the morning. Health Unit regulations require that the name of the donor and details of the item being donated be attached to the baking or candy.

HUGS

(Helping Us Grow Strong)

Sandra Weller &
Lorraine Coull

This program has been helping new parents since 2003. Gift Bags may contain hand-made items including sweaters, hats, blankets and toys. All these items are made or donated by members of the community and the Auxiliary.

At the present time we are in need of baby sweaters that have no buttons or ties, "onesies" and small receiving blankets. If you or anyone you know could supply any of these items, we would be most grateful.

The 2016 Teddy Bear Campaign

Under the leadership of Heather Breck and Alice Robertson, this committee will again run the 2016 Teddy Bear campaign.

It is hoped to raise at least \$20,000 from this year's campaign and this will be used to purchase equipment for Paediatrics.

A big thank you goes to the summer students who made almost \$1,700 through their ice cream and candy sales.

Anyone interested in helping out may contact Theresa at the Auxiliary office at 613-549-6666 Ext. 6352

GIFT/TUCK SHOP

Merna Manders

The Gift and Tuck Shops have been busy places this summer. July and August Hall Sales were successful and well attended. They will continue on the last Wednesday of each month, hours of the Sales are from 9 am to 2 pm.

New Fall stock is arriving in all departments of the Gift Shop. Bernie Mev shoes and fashions from a new company, Simply Noelle, are now in stock. New jewellery, handmade in Bali, will be arriving early in October. Beautiful Giftware for both Thanksgiving and Christmas is now in the shop, and as most items are in limited supply shop early. Colourful winter weight leggings, boot socks, new cozy robes and stylish Fall capes are in ready for the new season. The Baby Department has expanded the collection of Noah's Friends to include night lights, music boxes, and picture frames. Soft cuddly plush hedgehogs have arrived too. The knitted wear is doing well and new knitters are always welcome. Toys are well stocked with plush animals and beautiful new books from Nancy Tillman.

Volunteers are needed in both Gift and Tuck Shops so if you know anyone who would be interested in helping, please encourage them to come in and chat with Jill or Kim in the KGHA Office. They could also spend some time talking with Michelle, the Gift/Tuck Shop Manager or can chat with the volunteers in the Gift or Tuck Shop to find out what our volunteers do. There are

information sheets and application forms in the Gift Shop.

Thank you for shopping in the KGHA Gift/Tuck Shops.

CAFÉ

Shirley Hicks

During the summer, many of our regular volunteers take a summer vacation. Our summer schedule is quickly filled with high school students looking to get their forty hour mandatory volunteer hours in order to receive their high school diploma. Thanks to these able bodied, enthusiastic young people, the Café is well taken care of over the summer. Customers are treated to new faces and our volunteers meet with families, hospital

staff and other volunteers who visit the Café looking for a friendly face, tasty food and good service. Thank you to the summer volunteer coordinator for facilitating the scheduling and promoting the Café hostess job. Stacey, our Café manager, our Café assistants to the manager and Theresa who anchors the Auxiliary Office deserve our thanks for the on-site training and support throughout the summer. We always need volunteers for the Café hostess position. Please let Theresa know if you are interested.

LOTTERY BOOTH

Mary Johnston

It's been a quiet summer this year but with some of the larger jackpots, we've been able to bring in \$9134.04 in OLG commissions. We had bank charges and OLG fees totaling \$181.75 leaving us with a net income of \$8952.29.

This figure does not include the deductions for our parking or miscellaneous items. I'm not aware of any large winners in our booth this year but like everyone else, we're always hopeful!

We're expecting things to pick up again with the end of the long, hot summer this year. Thanks to Theresa Hill's scheduling skills and our wonderful volunteers, we've been able to keep the Lottery Booth fully manned. We couldn't do any of this without them! Thanks a bunch!

HAIR CARE
