

CODE 99

Medical Emergency

Call for Help Dial 4444

- Tell the switchboard operator that you have a “CODE 99 (Medical Emergency) in the W.J. Henderson Centre for Patient-Oriented Research, Connell 4, **Room 2-4-XXX**”.
 - RACE Team will arrive shortly with their own crash cart.
- Ensure the research participant is comfortable until help arrives.
 - If the research participant goes into cardiac arrest (no pulse, stops breathing), follow the CODE BLUE (adult)/CODE PINK (child) action plan.
