It looks like the cold weather is finally over and we can now enjoy some warmer temperatures.

Please join us at Minos for our 113th Annual General Meeting to celebrate our accomplishments over the past year. Since the restaurant has been sold, this is our last year there and so we will be looking for a new venue for the 2019 AGM.

As approved in principal at our October, 2017 General Meeting, the Auxiliary is putting forward to the membership a motion to approve a pledge towards the community portion of the Stage 2 Redevelopment at KGH. We are confident that we can meet this challenge and, as with our past pledges, even hope to complete this sooner than anticipated!

The renovation project for the Café has gone through all the hoops and hurdles with the hospital and the Ministry and should begin sometime this summer. Due to the extent of this renovation, the Café will be closed but it is hoped that this will be for as short a time as possible. The Café will have a new look afterwards so please come for a snack or a meal.

I wish to thank all the members of the Board and the Council, our Auxiliary Assistant, Theresa, and all our Auxiliary employees for all their hard work over the past year.
