

## W.J. HENDERSON CENTRE FOR PATIENT ORIENTED RESEARCH

**Required Knowledge Requirements: Place check mark (√) in the appropriate box**

<b>Emergency, Occupational Health and Fire Safety</b>	<b>Yes</b>	<b>Date taken (dd/mmm/yyyy)</b>
Accidental occupational exposure and reporting workplace incidents.		
Acquiring hospital ID badges, research hospital appointments, and computer access.		
Booking rooms in the WJHCPOR.		
Calling codes.		
Cleaning furniture and research equipment.		
Disposal of biohazardous and sharps waste.		
Emergency eyewash safety + hands on training for wall unit.		
Emergency procedures + hands on training (i.e. fire exits, evacuation, fire drills, location of pull stations, and locations and types of fire extinguishers within WJHCPOR).		
External Audits and Inspections.		
General lab safety rules and practices.		
Human blood, tissue and other body fluid.		
Immunization and surveillance.		
Inpatient transport for research to WJHCPOR.		
Personal protective equipment.		
Routine precautions.		
Safe Handling of Cytotoxic Drugs and Bodily Fluids		
Spill control procedures.		
Visitors, service representatives and contractors safety + visitor pass.		
Working alone safely + hands on training.		

<b>Knowledge Now Training</b>	<b>Yes</b>	<b>Date taken (dd/mmm/yyyy)</b>
Knowledge Now Annual Emergency Codes Review Part 1-Code Red, Green & Orange.		
Knowledge Now Annual Emergency Codes Review Part 2-Code Black, Brown & Grey.		
Knowledge Now Annual Emergency Codes Review Part 3- Code Yellow, Amber & 11.		
Knowledge Now Annual Emergency Codes Review Part 4-Code 99, Blue, Pink, White, Purple & Silver.		
Knowledge Now Respectful Workplace - Personal Safety.		
Knowledge Now Needles and Sharps - Safe Practices for the Prevention of Injury.		
Knowledge Now Safe Patient Handling-Musculoskeletal Injury (MSI) Prevention Training for Clinical Staff or Musculoskeletal Injury (MSI) Prevention Training for Non-Clinical Staff.		
Knowledge Now Annual Privacy Review.		

<b>Clinical Research Equipment Training</b>	<b>Yes</b>	<b>Date taken (dd/mmm/yyyy)</b>
Otoscopes and ophthalmoscopes + hands on training.		
Pneumatic tube system + hands on training.		
Spot monitors + hands on training.		
Weight and height scales + hands on training.		
ECG machines + hands on training.		

## W.J. HENDERSON CENTRE FOR PATIENT ORIENTED RESEARCH

**Optional Knowledge Requirements: Place check mark (✓) in the appropriate box**

<b>Certifications</b>	<b>Yes</b>	<b>Date taken (dd/mmm/yyyy)</b>
CITI GCP Training.		
CITI Health Canada Division 5 Training.		
Review Queen's Human Tissue, Blood or Other Body Fluid (SOP-Biosafety-08).		
Queen's Human Blood, Tissues and Bodily Fluids Quiz.		

<b>Laboratory Research Equipment Training ***OPTIONAL (REQUIRED if using the Research Centrifuge Room and Research Freezer Room)</b>	<b>Yes</b>	<b>N/A</b>	<b>Date taken (dd/mmm/yyyy)</b>
Biological safety cabinet + hands on training.			
Centrifuge safety + hands on training.			
Emergency eye wash station in Research Centrifuge Room + hands on training for sink unit.			
Pipettes and pipet controllers + hands on training.			
Refrigerator and freezer use, maintenance and monitoring + hands on training.			
Transportation of dangerous goods.			

<b>Certifications ***OPTIONAL (REQUIRED if using the Research Centrifuge Room and Research Freezer Room)</b>	<b>Yes</b>	<b>N/A</b>	<b>Date taken (dd/mmm/yyyy)</b>
CITI TDG/IATA or Queen's TDG/IATA.			
Review of Queen's Biohazard Manual.			
Biosafety Level 2 Quiz.			

<b>Drug Research Equipment Training ***OPTIONAL (REQUIRED if using the Clinical Investigation Unit)</b>	<b>Yes</b>	<b>N/A</b>	<b>Date taken (dd/mmm/yyyy)</b>
Cardiac monitors + hands on training.			
Infusion pumps + Knowledge Now (CareFusion) + hands on training.			

**The user has completed all requirements to use the WJHCPOR for their research activities.**
