Despite the weather, the flu and now the new Coronavirus, the Auxiliary is still here and flourishing!

Financially, the Auxiliary is doing very well in all our retail areas and the results so far show that we will exceed our fundraising goals. Thank you to all our dedicated Convenors, Volunteers and Staff who work diligently every day. Also, a big thank you to all our loyal customers without whom we would not be able to donate the funds we do!

Considering this year's successful fundraising efforts, there will be presented to the membership at the General meeting a motion to amend the pledge made in 2018 for redevelopment. The original pledge was for \$2.5 million over 7 years. Taking into account the larger scope of this project and our financial success so far, the Auxiliary is asking the members to approve an increase in the amount pledged over the same time period. It is felt that this is an attainable goal – and, as in the past, may be attained sooner! Thus, the motion is to amend the pledge to make the amount \$3 million over 7 years. Tom Zsolnay, UHKF President and CEO, will be our speaker at the meeting and it is certain he will be pleased if this motion is passed.

The second Motion to be presented at the meeting is the 2020-2021 budget, which is included with this Newsletter.

I look forward to seeing everyone at the meeting
