COVID-19 Update

Research continues to be impacted by the COVID-19 pandemic. As the situation evolves, please continue to watch for updates from the Queen's HSREB, Queen's Office of VP (Research), Queen's FHS, and KGHRI, and check their websites frequently.

Queen's HSREB site: https://www.queensu.ca/urs/ethics/queens-university-health-sciences-and-affiliated-teaching-hospitals-research-ethics-board

Queen's Office of VP (Research): https://www.queensu.ca/vpr/covid-19

Queen's FHS: https://healthsci.queensu.ca/administration/announcements/coronavirus

KGHRI: https://kingstonhsc.ca/research

2020 Conferences

Due to the pandemic, the **Kingston Nursing Research Conference 2020** (March 12), the **CTO 2020 conference** (March 24-25) and **CARA Annual Conference** (May 10-13) have been cancelled. We look forward to next year's conferences with each of these groups in healthier times.

W.J. Henderson Centre for Patient-Oriented Research

Plans to highlight new facility capabilities and celebrate two years of clinical research at our Centre have been postponed. A new date will be provided as soon as possible. The Centre continues to support essential research that is approved to continue during this time.

Resources for Research at Queen's (R4R@Q)

This lunchtime series, hosted by University Research Services, acquaints Queen's researchers with helpful resources and people, and is now being offered online. Mark your calendars for the final sessions of the current series:

> **Wednesday April 15:** You Got Googled: How and Why to Build a Compelling Research Story
>
> **Wednesday, May 13:** I Agreed to do What?!?! How to Write a Good Informed Consent Form

SOCRA
FOR CLINICAL RESEARCH EXCELLENCE

Kingston SOCRA Chapter Meetings: SAVE the DATES

Previously planned sessions may be offered in an alternate format or postponed. Details will be sent out.

- **Wednesday May 6:** Shari Glustein – Accessing patient data for research: using Medical Records and Decision Support to capture the data you need for your research project
- **Wednesday June 10:** Tracie Hanna - Archiving
- **Wednesday July 8**: Speaker and topic TBD
- **Wednesday August 12**: Speaker and topic TBD
- **Wednesday September 9**: Speaker and topic TBD
- **Wednesday October 14**: Speaker and topic TBD
- **Wednesday November 18**: Speaker and topic TBD

Research Hospital Appointment Update

The Research Hospital Appointment (RHA) policy at both HDH and KGH sites has been consolidated into KHSC Policy 11-012, in order to facilitate the process for Queen's and St. Lawrence College (SLC) students to conduct research for academic program requirements, as per KHSC's affiliation agreements with both Queen's and SLC.

To download the Research Hospital Appointment application, please click on this link:

https://kingstonhsc.ca/sites/default/files/uploads/appendix_a_rha_application_form.pdf

To view KHSC's Research Hospital Appointment Policy, please click on this

link:

https://kingstonhsc.ca/sites/default/files/uploads/11-012_rha_hospital_policy_statement.pdf

KGHRI has launched its new "General Orientation to KHSC" and "General Orientation to Research" program for all new investigators, research staff, students, and trainees who obtained a RHA. For more information, please reach out to Shari Glustein at shari.glustein@kingstonhsc.ca.

Research Roadmaps Update

- The **Accessing Patient Data for Research** roadmap has been revised and separated into the **Accessing Medical Records for Research** roadmap and the **Decision Support Services for Research** roadmap.

- The **Research Hospital Appointments** (RHA) roadmap has been revised based on the newly consolidated RHA policy 11-012.

- A **Research Contracts** roadmap has also been created.

Please see the KGHRI website under For Researchers, Staff & Trainees at https://kingstonhsc.ca/research/researchers-staff-trainees for these new and revised roadmaps.

If you would like any new research roadmaps created to support your teams, please reach out to Shari Glustein at shari.glustein@kingstonhsc.ca.

TRAQ DSS Form Update

Thank you to those who have provided valuable feedback in our biannual review of all hospital supporting forms (HDIIF & Lab/Pharmacy/Clinical Engineering Study Request Forms) and tip sheets linked to TRAQ DSS Forms. We will be integrating your input so that the impact of your project can be more clearly described and evaluated. Any further feedback can be sent to Shari Glustein at shari.glustein@kingstonhsc.ca.

Got a Research Story Idea?

Contact Mary Anne Beaudette, KGHRI's Research Knowledge Mobilization Officer, at KGH ext. 3722 or maryanne.beaudette@kingstonhsc.ca.

Check out KGHRI's **research news** and **videos** on our website.
