## Instructions for Abstract Submissions

### Length and Format

Typed submissions are to be provided in Microsoft Word and should be 2 pages (1-inch margins, Arial 11 Font). Page 1 is Cover Page, Page 2 is Abstract Page.

### Content and Formatting

**Cover Page** – Centred and double-spaced:

Line 1: Kingston Nursing Research Conference 2022 Abstract Submission

Line 2: Title of abstract (in bold font)

Line 3: Preference (poster / short presentation ≤15 min / long presentation ≤30 min)

Line 4: Authors (a complete list)

Line 5: Presenter(s): name, credentials, job title + organization, telephone #, email and brief bio

Line 6: Mobile number for calling and texting the day of the conference

**Abstract Page** – Single-spaced with a blank line between each section:

Abstract Title: Left aligned in bold font (no author identification)

Paragraph 1: Problem – what topic did you explore/question?

Paragraph 2: Objective – what did you hope to accomplish?

Paragraph 3: Methods – what did you do to address your question?

Paragraph 4: Results – what did you find?

Paragraph 5: Conclusions – what did you learn and/or did your findings lead to practice changes?

### Other Information

Posters will be shared virtually and must be provided in PDF format no later than 1 week before the event. Participants will be given the opportunity to provide a voice-over explanation of their poster. Participants will be provided your email to connect with you should they have questions about your poster. Each presenter must register for the event.

### Selection Process

All abstracts will be subject to a “blind” review, therefore please ensure there is no identifying information on the abstract page.

### Abstract Submission Deadline & Presentation Confirmation

- Abstract submissions will be accepted until November 22.
- Please note the event date/time on your calendar once you’ve sent in your submission.
- Offers to present will be sent by email before the end of November.
- Confirmation of acceptance will be required by email on or before December 6th.
- Submission of an abstract (including author names) implies permission for photos and videos as well as inclusion in the conference syllabus. It also signifies that you will have been double-vaccinated against COVID-19 by February 17, 2022, should the event be held in person.
