

Sponsoring a teddy bear for \$100 is an expression of caring from our community

Show children you care

Established in 1905, the KGH Auxiliary supports patients and families every day through its retail services and fundraising, typically donating almost half a million dollars to the hospital each year.

The KHSC Pediatric Program offers a wide range of services at the KGH and HDH sites. It provides medical, surgical, oncology and intensive care services for infants, children and youth from across Southeastern Ontario as well as those from the James Bay district. The Neonatal Intensive Care Unit is one of six provincial perinatal centres caring for premature to full-term babies with a variety of complications, and the Children's Outpatient Centre provides walk-in emergency services along with highly specialized pediatric clinics.

Many thanks to Royal Canadian Legion Branch 560 with their Ladies Auxiliary who continue as generous sponsors in our annual Campaign.

2021 KGH Auxiliary Teddy Bear Campaign

Show children you care

Kingston General
Hospital Auxiliary

Since it started in 2005, the annual KGH Auxiliary Teddy Bear Campaign has raised just over \$400,000 to help purchase specialized pediatric equipment for the youngest patients at Kingston Health Sciences Centre.

Funds from our 18th annual campaign will purchase a MediTherm Hyper/Hypothermia System, technology connected to a special blanket and used to control body temperature. It will benefit a range of young patients including babies who are unable to stay warm in normal temperature ranges, patients who have trouble controlling their own body temperature and those need to be carefully warmed due to hypothermia.

By sponsoring a bear for \$100 you give the gift of much-needed pediatric medical equipment and deliver a clear message of caring and hope to children in hospital when the sponsored teddy bears are distributed at the end of the campaign.

Again this year, we cannot distribute tiny companion bears to sponsors but instead share them with our smallest patients and their families. As well, we will not be displaying sponsored bears in the KGH Watkins Lobby. These measures help to ensure minimum handling of the bears before they are delivered to sick children.

Show children you care

Caring creates a work of heart!

Sponsoring a teddy bear for \$100 is an expression of caring from people in our community. Caring creates a work of heart!

The teddy bears will be given to children in need of comfort during their hospital stay. We will be sharing tiny souvenir bears, too, with patients and families in Labour & Delivery and the Neonatal Intensive Care Unit at our KGH site.

How to order your bear:

You have three options to order this year:

- 1. BY MAIL:** Complete and mail in the order form here with your cheque or credit card details.
- 2. BY PHONE:** Please leave a message at 613-549-6666 extension 6352. Someone will be in touch with you to process your order. A charitable receipt is available, upon request, for the full amount of your donation.
- 3. NEW! ONLINE:** Now you can order a bear by donating online through CanadaHelps. Visit <https://www.canadahelps.org/en/charities/kingston-general-hospital-auxiliary/>. Choose "Teddy Bear Campaign" under "Apply your donation to a fund set up by this charity." You will receive your tax receipt by email.

Yes! I would like to support patient-care needs and bring comfort to a young patient by sponsoring _____ teddy bear(s) at \$100 each.
