

Join the KHSC Board of Directors and help shape the future of health care in Kingston and Southeastern Ontario

Kingston Health Sciences Centre (KHSC) currently has a unique opportunity for up to three (3) dynamic individuals from the local community or southeastern Ontario - those served by KHSC who are interested in using their expertise to make a difference in the future of our communities by helping to shape and determine the acute-complex, specialty and ambulatory care for the community and region.

The role of the KHSC Board includes:

- Setting policy to give direction to the organization
- Monitoring the effectiveness of the organization
- Ensuring resources necessary to achieve the goals of the organization are available

Key areas of focus include:

- Integrated care and pandemic recovery
- Health human resource optimization
- Digital transformation
- Building redevelopment
- Strategic growth

Significant experience/expertise in one or more the following areas would be an asset:

- Chartered/professional accountant designation
- Government relations & advocacy
- Finance, government funding
- Human resources, labour relations, contract management
- Marketing & communications
- Planning, construction, large project management
- Strategic priorities and planning
- Quality & risk management
- Partnerships & stakeholder relationships
- Information management, technology, virtual care, analytics

While maintaining a skills-based Board is our priority, we also strive for the composition of the Board to reflect the diversity of the communities we serve including, but not limited to, those represented by race, indigeneity, disability, gender identity, gender expression and sexual orientation.
