

# ATTENTION STAFF

## When in a shared breakroom, remember:

Clean hands and surfaces often

- **Wash your hands when entering and leaving a common space**
- **Avoid touching garbage bins and disinfect surfaces often**

Maintain physical distance

- **Stay 2 meters or 6 feet from others when possible**
- **Ensure physical distance during nourishment**
- **Wear a mask as soon as you are done eating/drinking**

Minimize group gatherings

- **Limit the number of staff and spread out seating**
- **Consider an alternative break location if the room is full**
