

Join the KHSC Board of Directors and help shape the future of health care in Kingston and Southeastern Ontario

Kingston Health Sciences Centre (KHSC) currently has a unique opportunity for dynamic and qualified individuals from the local community (or southeastern Ontario and those served by KHSC) who are interested in helping to influence the further growth and development of the acute-complex, specialty and ambulatory care organization for the community and region.

Since integration in 2017, KHSC has grown to be one of the most recognized hospitals in the province, consistently ranking in Canada's top hospitals and top research hospitals. Key priorities for the immediate future are facility redevelopment, the ongoing hospital information system implementation, and sustainable growth.

The role of the KHSC Board includes:

- Setting policy to give direction to the organization.
- Monitoring the effectiveness of the organization.
- Ensuring resources necessary to achieve the goals of the organization are available.

Key areas of focus include:

- Health human resource optimization
- Integrated Care and Pandemic Recovery
- Infrastructure renewal & redevelopment
- Digital transformation
- Strategic growth

Significant experience/expertise in one or more the following areas would be an asset:

- Government relations & advocacy
- Planning, construction, large project management
- Information management, technology, virtual care, analytics
- Chartered/professional accountant designation

While maintaining a skills-based Board is our priority, KHSC also strives for the composition of the Board to reflect the diversity of the communities we serve. Including but not limited to those represented by race, indigeneity, disability, gender identity, gender expression and sexual orientation.

Interested candidates can find the online application form, and learn more about this opportunity, including the nominating process on our website:
