

Join the KHSC Board of Directors and help shape the future of health care in Kingston and Southeastern Ontario

Kingston Health Sciences Centre (KHSC) currently has a unique opportunity for dynamic and qualified individuals, from the local community or southeastern Ontario and those served by KHSC, who are interested in using their expertise to make a difference in the future of our communities by helping to shape and determine the acute-complex, specialty and ambulatory care for the community and region. Key priorities for the immediate future are hospital redevelopment, operational and financial sustainability, and ongoing stabilization of our new regional hospital information system.

The role of the KHSC Board includes:

- Setting policy to give direction to the organization.
- Monitoring the effectiveness of the organization.
- Ensuring resources necessary to achieve the goals of the organization are available.

Key areas of focus for the upcoming Board year include:

- Hospital redevelopment/infrastructure renewal
- Sustainability of funding and operations
- Improving access to care through collaboration and partnerships
- Optimizing care through out new Hospital Information System
- Strategic growth

Types of Experience Preferred:

- Planning, construction, large scale project management
- Successful government relations and advocacy
- Public communications and branding
- Chartered/professional accountant designation

While maintaining a skills-based Board is our priority, KHSC also strives for the composition of the Board to reflect the diversity of the communities we serve. Including but not limited to those represented by race, indigeneity, disability, gender identity, gender expression and sexual orientation.

Interested candidates can find the online application form, and learn more about this opportunity, including the nominating process on our website: <https://kingstonhsc.ca/about-us/board-directors/help-shape-future-health-care-southeastern-ontario>
