\$100 is an expression  
of caring from  
our community*

*Show children  
you care*

Established in 1905, The Kingston General Hospital Auxiliary supports patients and families everyday through its services. Fundraising is a vital function of the Auxiliary that donates almost half a million dollars to the hospital each year. All funds raised through the Teddy Bear Campaign support children and youth.

The Pediatric Program offers a wide range of services at both Kingston General Hospital (KGH) and Hotel Dieu Hospital (HDH).

The KGH Pediatric Unit provides medical, surgical, oncology and intensive care services for infants, children and youth from across Southeastern Ontario as well as those from the James Bay district. KGH's Neonatal Intensive Care Unit (NICU) is one of six provincial perinatal centres caring for premature to full-term babies with a variety of complications.

The Children's Outpatient Clinic (COPC) at HDH provides a unique walk-in emergency clinic as well as specialized clinics for pediatric patients.

The Pediatric Program team includes nurses, physicians, patient care assistants, dietitians, speech language pathologists, respiratory therapists, physiotherapists, occupational therapists, pharmacists, child life specialists, social workers, spiritual care providers, volunteers and support staff.

# Show children you care

## Caring creates a work of heart!

Sponsoring a teddy bear for \$100 is an expression of caring from people in our community. Caring creates a work of heart!

All sponsored bears will be displayed in the Watkins Lobby at KGH wearing a tag acknowledging your kindness. At the end of the campaign, the teddy bears will be given to children in need of comfort during their hospital visit.

As a thank you for your generosity, upon request, you will receive a souvenir teddy bear.

Thank you to **Royal Canadian Legion Branch 560 and the Ladies Auxiliary** whose generous financial contributions cover the cost of this year's campaign.

**Yes!** I would like to support patient care needs and bring comfort to a young patient by sponsoring \_\_\_ teddy bear(s) at \$100 each.
