W.J. Henderson Centre now open

The W J Henderson Centre for Patient-Oriented Research (WJHCPOR) opened its doors to the research community on Monday, February 12, 2018. Many researchers, research staff, students and trainees have attended the General Orientation Training and completed the additional training requirements to conduct research in the Centre.

Please contact Lisa McAvoy Lisa.McAvoy@kingstonhsc.ca (X3344):

- For more information regarding training requirements to use the Centre
- If you are interested in setting up a tour of the facility

New KGHRI staff member:

We are pleased to announce that **Leah Garrison** joined the KGHRI team on Monday February 5, 2018. As our Research Operations Assistant, Leah supports researchers with setting up Clinicaltrials.gov accounts, facilitates KGHRI signatures for research contracts, and administers our WJHCPOR room booking system. She is also our point person on Reception as you enter the centre.

International Clinical Trials Day

International Clinical Trials Day is celebrated every May. Please join us to learn about Clinical trials and exciting research projects taking place at KHSC-HDH site on **Tuesday May 15**, 10 am - 1 pm. More information coming soon.
